

Badminton

This group is led by Barry White

The badminton group meets every Friday at 10am in Langcliffe Village Institute and every Wednesday at 11am at St John's. It attracts players of mixed ability, both those with some or no experience of the game. People can meet in a friendly atmosphere and enjoy developing their skills while making new friends. It can be competitive, however, it is more about having fun than winning a championship. All you need is a racket, suitable shoes and a sense of fun. If you feel like stretching your legs and hitting a shuttlecock then join us.
