

French continuing

Leader: Colin Coleman:

We meet every Tuesday in Settle Area Pool, 2pm – 3.30pm

This is a very friendly group, whose members all have some previous knowledge of French. We use a range of printed and recorded texts, including literature, poetry, song and journalism with a particular emphasis on members' own experience, to improve our spoken language and understanding of France and the French. All are encouraged to be both teacher and learner and not to worry about making mistakes.
