

Philosophy

Leader: Keith Hyde:

We meet on 1st and 3rd Thursdays 2pm – 3.30pm in The Friends Meeting House

We are reading extracts from the John Cottingham anthology “Western Philosophy” (2nd Edn.) Our meetings take the form of a brief introduction to the chapter we have read followed by an informal discussion which can be wide ranging and not always “on topic”! None of the group members would claim to be an “expert” – we simply enjoy exploring new ideas together – and new members are always welcome.
