## **River Cruises**

**Riviera Travel has just made the following announcement:**

**For all Riviera Travel river cruise bookings of 7 nights or more, that are confirmed in March or April 2020 to travel in 2020 and where a local U3A is nominated at the time of booking, an additional bonus of €100 on board credit per cabin (based on two sharing, so solo travellers receive €50) will be honoured.**

**So, if you are you planning a river cruise this year with Riviera Travel don't forget to tell them when booking that you are a member of Settle District U3A.**
