

## PROGRAMME 2020-21

A 50p donation is welcomed for all the Group's indoor and outdoor meetings. Any other costs, where known, are listed against the event. Except where shown, travel to events is by private car - see Note 4 below.

<b>Date and Time</b>	<b>'Event'</b>
Mon 7 Jun 2021 10.00 am to lunchtime	Outdoor Meeting : Hutton Roof Crag
Mon 5 Jul 2021 10.30 am to teatime	Outdoor Meeting: RSPB Fairburn Ings

### NOTES:

1. Depending on developments with the coronavirus pandemic the programme from June 2021 onwards is subject to change.
2. Where possible outdoor meetings will go ahead but if appropriate each site will be assessed beforehand for the risk of CoViD-19 infection, as well as the usual hazards, and if there is any doubt the proposed meeting will be cancelled. Where meetings get the all-clear members will be advised beforehand of the risks and the proposed control measures and can then decide whether or not to attend.
3. Meetings may also be cancelled if weather conditions are so severe that birdwatching would be pointless or travel is ill-advised. An e-mail advising cancellation due to the weather will be sent out up to two hours prior to the scheduled meeting time so check your in-box before setting off.
4. Until car-sharing is allowed we'll meet on site at the times shown for all outdoor meetings: details to be advised in due course. If car-sharing becomes an option we'll meet for outdoor meetings at the Rugby Club car park in Settle - at times to be advised - and arrange car-sharing as necessary. In line with Settle District u3a policy drivers should be reimbursed at the rate of £1 per passenger for half hour journeys, £2 for one-hour journeys and £3 for 1½ hour journeys.

### Programme: 2021-22

Because of the coronavirus pandemic we had to cancel several of our proposed site visits in 2020-21 so we'll look to catch up with those in the programme for 2021-22. If there is any other sites you would like to visit, a bird species you would like to see, or a subject you would like covered at an indoor meeting contact Group Leader Les Chandler on 07802 543676 or [lchandler52@gmail.com](mailto:lchandler52@gmail.com).
