

# Card making

Leader: Wendy Newby:

2 sessions one in morning(10-12am) and one in afternoon(1-3pm). Max 6 members at each session.

Each month we make at least two cards using a wide range of techniques and materials (which are supplied for a small charge). The leader provides any specialist tools and equipment required. A basic crafting tool kit of scissors, craft knife and mat, metal rulers etc is useful but not essential.

This group is often full but it's worth making enquiries.
