

Creative writing

This group is led by Liz Hampton

This is a course for all writers or would-be writers, and members will be encouraged to develop their own areas of interest in a supportive group. Exercises, suggestions and homework will be geared to individual needs and there will be plenty of fun, inspiration, discussion and feedback. Suitable for both experienced writers and beginners. Participants are asked to bring pens, paper and an open mind.

We meet in the afternoon on the second Thursday in every month 2pm to 4pm at members homes.
