

German conversation

Leader: Sheila Goodall:

We meet on the 2nd and 4th Wednesday each month from 10.30am – 12.00am in the Catholic Church Hall.

We aim to spend as much time as possible in conversation with the emphasis on communicating in German so that you can be understood. Getting your message across takes priority over being word perfect. Topics are wide ranging, from discussion of personal interests and experiences, local events or travel to discussions based on magazine articles covering a wide range of subjects which we read together during our sessions. There is no formal programme and group members are encouraged to propose topics or contribute articles for discussion

This group is not suitable for beginners.

This group is often full but it's worth making enquiries.
