Settle District U3A (sdu3a) Safeguarding Policy

Context

This Policy and Procedure is written to enable the Settle District U3A (sdu3a) Committee to act appropriately where instances, or allegations of, actual abuse or neglect come to their attention. Settle District U3A (sdu3a) recognises that some people are potentially at risk of abuse and neglect. Abuse and neglect can take place in a person's own home, in the home of a carer, family member or friend and within any form of institution e.g. residential care

or nursing home.

Where abuse or neglect is suspected Settle District U3A (sdu3a) will aim to respond to the situation in a way which is caring, effective and enabling. Settle District U3A (sdu3a) also recognises that abuse and neglect can be perpetrated by volunteers, other users of services, relatives, friends and neighbours. Settle District U3A (sdu3a) acknowledges that the reasons for abuse and neglect occurring may not be fully understood and vary with each incident, often dependent on risk factors.

Settle District U3A (sdu3a) will neither condone nor tolerate any

form of abuse or neglect and believes that all people should be able and, where necessary, enabled to live in an environment which is safe. In all situations, Settle District U3A (sdu3a) believes that everyone is entitled to

- privacy**
- be treated with dignity and respect**
- lead an independent life and to be enabled to do so**
- choose how they live their lives**
- the protection of the law**
- have their human and civil rights upheld regardless of ethnic origin, gender, sexuality, impairment or**

disability, age, religious or cultural background

It is not appropriate for Settle District U3A (sdu3a) to take the lead role in any Safeguarding Enquiry under Section 42 of the Care Act 2014 but should refer this to Advice and Volunteer Manager at the Third Age Trust who will contact the appropriate local authority.

Procedure

Settle District U3A (sdu3a) recognises that it has a responsibility to ensure that its committee and group leaders understand this policy. Settle District U3A (sdu3a) will support the alleged victims and the alleged

perpetrators of any abuse as well as any volunteer who becomes aware of the abuse. This support will be in whatever form is both appropriate and practical and in so far as this does not compromise any Safeguarding Enquiry or investigation into the allegation or place other adults at risk.

While Settle District U3A (sdu3a) will make every effort to respect the confidentiality of any information that is disclosed under this Policy and Procedure, this cannot be guaranteed. Information will be recorded and stored securely in accordance with GDPR but confidentiality is not absolute and information may have to be shared on a 'need to know' basis

only, to facilitate the investigation of a serious crime or to prevent danger to a person's life or health or dangers to others in the community.

Courses of Action

If a member of the Committee becomes aware of possible or actual abuse or neglect, they should ensure that the safety of the adult at risk is secured as a first priority. Any committee member who becomes aware of possible or actual abuse should, as soon as possible, record the details of the abuse and inform the designated safeguarding lead who will inform the Advice and Volunteer Manager at the Third Age Trust.

The designated safeguarding lead, having been advised of the possible or actual abuse, should satisfy themselves that the adult at risk is safe and that the alleged perpetrator, if known, does not pose a threat to anybody else.

The designated safeguarding lead, working with the Advice and Volunteer Manager at the Third Age Trust will decide whether or not to refer the possible or actual abuse to the local authority and / or the Police. When a crime may have been committed, the Police must be contacted as soon as possible. If the decision is to not refer, the reasons for this must be recorded. As far as possible the adult at risk's wishes will be respected as

to whether or not to refer any concerns to the local authority as a Safeguarding Enquiry under Section 42 of the Care Act 2014. However, it may be necessary to override these in the best interests of other adults at risk.

The designated safeguarding lead will complete a Safeguarding Adult Disclosure / Suspicion form with the guidance of the Advice and Volunteer Manager. Completed reports will be held in a secure designated file for a minimum of 2 years from the date of the last completed report on the adult at risk. The contents of the form will be accessed only by the designated safeguarding lead or with their knowledge.

If someone discloses abuse to you:

Do:

Appendix 1

- Stay calm and try not to show shock or disbelief.
- Listen carefully to what they are saying.
- Be sympathetic ('I'm sorry this has happened to you').
- Be aware of the possibility that medical evidence might be needed.
- Tell the person that:

1. They did the right thing to tell you.
2. You are treating the information seriously. It was not their fault.
3. You are going to inform the appropriate person.
4. You will take steps to protect and support them.

• Record and report the disclosure in line with the procedure set out in this policy

Do not:

- Stop someone who is freely recalling events (Don't say 'hold on, we'll come back to that later'; they may not tell you or anybody else again).]
- Promise to keep secrets; you cannot keep this kind of information to yourself
- Make promises you cannot keep (such as 'this will never happen to you again').
- Contact the alleged abuser.
- Be judgemental.
- Pass on the information other than to those with a legitimate 'need to know' under this Policy and Procedure.

In your Record of the disclosure:

You should aim to:

- Note what people actually said, using their own words and phrases.
- Describe the circumstances in which the disclosure came about.
- Note the setting and anyone else who was there at the time of the abuse or the disclosure.
- Separate factual information from your own and others' opinions.
- Use black ink so the report can be photocopied if needed.

Be aware that your report may be required later as part of a legal action or disciplinary procedure.
